

COLLEGIATE CHAMPIONS AWARD

Vector is proud to announce the collegiate champions program that will recognize schools and the reps who attend them.

Vector Marketing will **make a donation in the names of the representatives** attending those schools that achieve collegiate champion status. All reps affiliated with the winning schools and campus officials will be invited to a special check presentation and reception. Vector's donation will enable schools to enhance current student programs.

Each sale you make will help your school reach collegiate champion status! \$45,000 (\$7,500 per region) will be awarded at the end of each campaign. \$135,000 awarded each year.
